BDCP NEPA CWA RHA MOU DRAFT 12 May 2011.docx

Please join us for the second BDCP NEPA-CWA integration meeting. Our first meeting was on April 22, 2011 and the Corps agreed to produce a draft MOU describing an integration process. See attached draft MOU and email below from Michael Nepstad.

I'll set up a conference line and send out call-in information with a draft agenda next week. Let us know if you can attend.

Subject: FW: Draft BDCP MOU

I was just reminded that we are going to meet on May 25th. Please review the draft sufficiently by the 25th to be able to participate in the discussion of whether or not the MOU should be pursued further and discussions on major issues with the MOU. I'll still wait for final comments by the 31st as due to my flex day and Memorial Day Holiday I won't have time to do another draft until the following week anyway. Thanks
